WITH THE SUPPORT OF THE EVA MAYR-STIHL FOUNDATION

GALERIE STIHL WAIBLINGEN & GALERIE IM KAMERALAMT

INVITATION FOR APPLICANTS

In 2023, the City of Waiblingen will be launching its scholarship programme for drawing and paper arts for the first time. It will be made possible thanks to the support of the Eva Mayr-Stihl Foundation and the kind-hearted bequest of the late Renate Reichert to the Foundation. This intergenerational project unites accomplished artistic positions with upcoming artists and takes place every two years.

In 2023, the internationally renowned artist Katrin Ströbel was the first established artist to be selected for the paper arts scholarship from the City of Waiblingen.

She will accompany and mentor the recipients of the emerging artist scholarship during her residency in Waiblingen.

This scholarship for emerging artists will be awarded by a panel of experts following a public invitation for applicants.

Works created during this period will subsequently be exhibited from **29 July to 8 October 2023** as part of a joint exhibition at the Galerie im Kameralamt.

What's more, scholarship recipients will take part in an additional programme of events running alongside the exhibition, including workshops in collaboration with the Kunstschule Unteres Remstal art school.
